**RE: Notice of Consummation—STB Docket No. AB-33 (Sub-No. 260X)—
Abandonment of the Millard Industrial Lead, from Milepost 19.4 to Milepost
22.85, in Douglas and Sarpy Counties, NE**

Dear Secretary Quinlan:

This is to advise that pursuant to the Board's July 25, 2008 decision in the above-referenced matter, Union Pacific Railroad Company has as of this date consummated the abandonment of the portion of the Millard Industrial Lead (the "Line") extending from Milepost 22.10 to Milepost 22.81, a distance of approximately 0.61 miles, in Douglas County, NE.¹

Additionally, in accordance with the Board's July 25, 2008 decision, UP consulted with the National Geodetic Survey, the U.S. Army Corps of Engineers' Omaha District, and the U.S. Fish and Wildlife Service's Nebraska Field Office, and otherwise fulfilled all conditions imposed by the Board, prior to salvaging the portion of the Line that is the subject of this Consummation Notice.

Please do not hesitate to contact me if you have any questions.

Sincerely,

Gabriel S. Meyer

¹ Although the Board authorized UP to abandon the Line from Milepost 19.4 to Milepost 22.85, UP is not consummating abandonment of the entire Line at this time. The Line segment from Milepost 19.4 to Milepost 22.10 remains subject to ongoing trail use negotiations, while the portion of the Line from Milepost 22.81 to Milepost 22.85 will remain an active rail line, subject to Board jurisdiction.
